# Tenth Regular Meeting October 15, 2013

The Tenth Regular Meeting of 2013 was held on October 15, 2013 and was called to order by the Chair at 12:00 P.M. All Legislative members were present.

Chair Weston asked Legislator Standinger to have a moment of prayer. "Lord, we thank you for the many gifts you have provided us with and we ask your guidance and wisdom as we conduct the business of governing Tioga County."

Legislator Standinger led all Legislators and those in attendance in the Pledge of Allegiance.

There were 15 people in attendance.

Arrah Richards of the Employee Recognition Committee presented Employee of the 3<sup>rd</sup> Quarter 2013 to Nancy Dow of the Public Health Department. "On behalf of the Employee Recognition Committee, I would like to thank you all for your continued support of the Employee Recognition Committee.

"I would like to congratulate Nancy Dow as she is Employee of the 3<sup>rd</sup> Quarter for 2013. Nancy has worked in the Public Health Department as a typist in the Primary and Preventive Division since she started in 2005. She wears several hats and excels in all of them. She is the go to person for numerous things and is her Supervisor's right arm. Nancy tracks and compiles all of the patient and departmental historical information and her accuracy is phenomenal. Numerous times her reporting was more accurate than what New York State had on record for our County.

"In addition, Nancy is a voice many people know through her handling the scheduling of Health Clinic appointments. She represents the Department and County very well. Nancy is always polite, professional, and compassionate, and she demonstrates initiative on a daily basis and is always looking for a more effective way to do things while never seeking recognition. Nancy has even trained herself on how to do new things on the computer so she can implement them. Nancy's colleagues appreciate and respect her as shown when she was selected for the very first Public Health Team Member of the quarter when the honor was first started in 2008. Nancy resides in Barton with her husband Dan and they have three children and eight grandchildren. Nancy is also very active with the Living Water Baptist Church in Owego. The employees and citizens of Tioga County are blessed to have Nancy serving them. Nancy is honored today. Congratulations."

Legislator Huttleston spoke. "It is people like Nancy that makes this County what it is. The real winners are the people that we serve and I appreciate it. It makes my job easier. It makes everybody's job in the Department easier. There are several people like you in this County and our County I think stands heads and shoulders above a lot of other counties as far as servicing the public and getting along, and doing a good job. I appreciate it."

Marilyn Reynolds of the Health Department spoke. "I just want to duplicate ditto what was said in the reward. Nancy is an incredible person and an incredible employee. She is not just my right arm, she is my left arm as well and anybody who knows me, knows I am a very disorganized person. The only organization I have is Nancy. She is again a remarkable person. She has been a real blessing to me and the Department, and I will ditto what Dick Huttleston said is that she is the epitome of what a Tioga County employee should be because she is again a remarkable person and a blessing."

Margaret Shuler of the Public Health Department spoke. "I am known to have kind of a big mouth so this was my opportunity. I will be very brief, but I just want to say a couple words on Nancy's behalf. I said when someone transforms the job position, that is amazing enough, but Nancy has not only transformed the job position, she has transformed our Department and she has transformed me. When a nurse wants to do better because of a coworker, to me that is just amazing and she makes me want to be a better nurse and do a better job, and sometimes when she has come up with these wonderful ideas, my first inclination is wow I wish I had thought of that, but my very next thought is I am so grateful that she works with us and we have her in our Department. I really am in awe of her ability to not only transform her job, but really our whole Department and I know for myself she has changed how I have done nursing and how I look at things, and for that I am very grateful. Thank you."

There was no privilege of the floor.

REFERRED TO: HEALTH & HUMAN SERVICES COMMITTEE

RESOLUTION NO. 237-13

RESOLUTION IN SUPPORT OF ESTABLISHING A SOUTHERN TIER OFFICE OF MENTAL HEALTH (OMH) REGION

WHEREAS: The New York State Office of Mental Health (OMH) has proposed a major redesign of the agency under a "Regional Centers of Excellence" (RCE) model; and has divided the state into five distinct regions (Western, Central, Hudson River, New York City and Long Island) with fifteen Regional Centers of Excellence; and

WHEREAS: The OMH plan in its current form designates the closure of all state operated inpatient services at the Elmira Psychiatric Center and Greater Binghamton Health Center by July of 2014 and creates two Community Outpatient Service Hubs at those locations instead; and

WHEREAS: The Greater Binghamton and Elmira Centers currently serve a largely rural population of nearly 1.5 million people in fifteen (which includes Delaware, Broome, Tioga, Chenango, Otsego (in the Central NY Region under the proposed OMH plan and currently in the GBHC catchment area), Tompkins Chemung, Steuben, Yates, Schuyler, Seneca, Wayne, Ontario, Allegheny (in the Western NY Region under the proposed OMH plan and currently in the Elmira Psychiatric catchment area)) counties of the Southern Tier and parts of the

Finger Lakes, covering over 11,400 square miles, comprising nearly 1/4 of the state and lacking access to public transportation; and

WHEREAS: The OMH plan exclusively follows an urban "thruway corridor" model, requiring rural, often poor, residents of the Southern Tier to travel hours to urban areas along the New York State Thruway for inpatient care (Buffalo or Syracuse for adults and Buffalo or Utica for children); and

WHEREAS: The United States Government has already designated many of the counties service by Elmira and Greater Binghamton to be "Federally Designated Underserved Areas," prior to the removal of inpatient services by OMH; and

WHEREAS: The OMH Plan removes 100% of the state operated child and adolescent inpatient services from these fifteen rural counties, and would also leave these fifteen counties with no private hospital children's beds (under 12 years of age) and only six private hospital adolescent beds (ages 12-17) located in Tompkins County; and

WHEREAS: The OMH Plan removes 100% of the state operated adult inpatient services from these fifteen counties and relies on only 1.45 private inpatient beds for every 10,000 people living in the fifteen counties served by Elmira and Greater Binghamton; and

WHEREAS: The OMH Plan leaves local hospitals that predominantly rely on public mental health services to choose between high risk discharges or weeks of uncompensated care, while awaiting access to the urban Regional Center for Excellence; and

WHEREAS: The Greater Binghamton and Elmira Centers are among the top performing hospitals in OMH relative to access, quality and productivity, providing timely access to a comprehensive array of high quality child and adult acute, intermediate, residential, educational, clinic and recovery focused services; and

WHEREAS: Greater Binghamton ranks first (#1) in OMH children's inpatient access (turnover) and Elmira ranks third (#3) in OMH adult inpatient access (turnover), outperforming all but one of the proposed "RCE's", and the Greater Binghamton and Elmira Centers are #1 and #3 (respectively) in OMH for children's discharges that are successfully followed by multiple outpatient visits; and

WHEREAS: The Greater Binghamton and Elmira Centers began working together in late 2012 toward combining operational elements, reducing the duration of inpatient hospitalization and achieving joint efficiencies that are amongst the best in OMH; and

WHEREAS: The Elmira and Greater Binghamton Centers have substantially achieved most of the access, quality, and productivity objectives ostensibly serving as the basis of the OMH Regional Centers of Excellence plan; and

WHEREAS: This body largely supports the overall goals of the OMH Plan, it is inadequate to meet the challenges of the most economically distressed part of the state, at a time when the need for mental health services is on the rise; now therefore be it

RESOLVED: That the Tioga County Legislature urges the Commissioner of Mental Health, Governor Andrew Cuomo, the New York State Senate and the New York State Assembly to support the inclusion of a Southern Tier OMH Region with a Southern Tier based Regional Center(s) of Excellence, serving the Southern Tier and portions of the Finger Lakes. This would include continued access to child, adolescent and adult inpatient and community services, managed under a locally responsive rural model, as an alternative to the exclusively urban thruway model currently under consideration; and be it further

RESOLVED: That a copy of this resolution be forwarded to Senator Thomas Libous, Assemblyman Gary Finch, Assemblyman Christopher Friend, Governor Andrew Cuomo, and the leadership of the New York State Senate and Assembly.
