III. Privilege of the Floor – M. Griffiths

M. Griffiths, Ag Economic Development Specialist, provided a follow-up to last month's report on the food hub concept. Ms. Griffiths reported the article published in the Morning Times resulted in a direct contact from Delivered Fresh, an online food hub/ farmer's market currently serving Northeast Pennsylvania and who expressed interest in business expansion. Ms. Griffiths reported she is currently working with the company, as well as Engelbert Farms, Nichols, NY, as a possible aggregator food hub. Ms. Griffiths reported Engelbert Farms is open to the idea of using their store as a possible aggregator. Ms. Griffiths reported Delivered Fresh collects goods from farmers based on online orders and delivers to consumers or utilizes a central pickup point. Ms. Griffiths further reported she is working with ED&P Deputy Director Woodburn on developing an Ag Feasibility Study and is currently exploring grant opportunities. Ms. Griffiths reported she is also reaching out to local grocers, healthcare facilities, and restaurants to determine how they currently receive their food now, potential interest

Re: Report of Examination 2019M-190 TCIDA Response & Corrective Action Plan

Please accept this letter and Corrective Action Plan as the Tioga County Industrial Development Agency's (TCIDA) formal response to your draft audit report titled "Tioga County Industrial Development Agency Project Approval and Monitoring Report of Examination 2019M-190".

The TCIDA Board of Directors have been consistently successful in executing the goals for Industrial Development Agencies established by the State statute, "advance the job opportunities, health, general prosperity and economic welfare".

TCIDA adequately adhered to the 2015 IDA Reform Legislation by implementing a Policy for Uniform Evaluation Criteria – Selection of Projects for Financial Assistance and Policy for Termination Modification and-or Recapture of Agency Benefits. Prior to the 2015 IDA Reform Legislation, TCIDA had established a Standard Application Form and had required that the Cost Benefit Analysis be prepared and presented to the Board, effected taxing municipalities, and citizens at Public Hearings. The Report reflects this in the following two statements: "The Board adopted adequate policies and guidelines for project approval." "The Board developed and adopted a standard application, uniform evaluation criteria, a uniform project agreement, which included project goals and PILOT payment schedules, and a UTEP for tax abatement projects. We reviewed four projects approved after June 15, 2016 and found that for each project, the standard application, uniform evaluation criteria and uniform project agreement were used when making decisions and that cost-benefit analyses were prepared."

TCIDA adhered to public notice and public hearing requirements in order to provide transparency to the effected taxing municipalities and the citizens of Tioga County. The Report reflects this in the following statement: "Additionally, all required public notices for these projects were published at least 10 days before public hearings and informational meetings were held with the chief executive officers and board members of affected taxing jurisdictions."

TCIDA's PILOT Agreements have contributed significant job opportunities to the community while contributing Payment In Lieu Of Tax revenue for taxing municipalities. PILOT Agreements have induced companies to locate in Tioga County, resulting in the long-term benefit of increased real property tax base to be realized at the expiration of PILOT Agreements. TCIDA has been dedicated to successful administration and oversight of Payments In Lieu Of Tax. The Report reflects this in the following statement: "In addition, payments in lieu of taxes (PILOTs) for four projects and 26 revolving loan payments were accurate and received on time."

The TCIDA Board of Directors endeavors to continually improve operations by diligent oversight.

Corrective Action Plan

TCIDA's Corrective Action Plan was prepared in response to recommendations of the OSC.

1. Audit Recommendation: The Board should require the Administrator to: Compare reported job creation and/or retention levels to tax abatement and loan agreements, at least annually, and report that information to the Board.

Implementation Plan of Action(s):

This has been a historic practice of TCIDA. Employment numbers have been verified annually by collection of NYS-45 for each PILOT Agreement. Employment numbers have been verified by annual site visits for all Loan Agreements. Board meeting minutes document that employment information for PILOT Agreements were reported to board members annually until the year 2016 when the annual aggregate reporting procedure was not continued, however individual project employment was discussed as deemed necessary for individual projects.

As a result of the Report of Examination, TCIDA will make an immediate enhancement in this area by requiring the Executive Administrator/Director to compare reported job creation/retention levels to project goals for every PILOT Agreement and Loan Agreement, and report that information to the Board annually.

2. Audit Recommendation: The Board should require the Administrator to: Continue to track sales tax abatements to ensure that abatements taken comply with approved amounts, and provide that information to the Board.

Implementation Plan of Action(s):

INDUSTRIAL DEVELOPMENT AGENCY | LOCAL DEVELOPMENT CORPORATION

As a result of the Report of Examination, TCIDA has already made immediate procedure implementations regarding sales tax exemption tracking. The Executive Administrator/Director will continue to require monthly submission of sales tax exemption reports for every Sales Tax Agreement, compare the exemption utilized to the allowable sales tax exemption stipulated in the Sales Tax Agreement, and report that information to the Board monthly.

3. Audit Recommendation: The Board should require the Administrator to: Track mortgage recording tax exemptions to ensure that exemptions are within allowable limits, and report that information to the Board.

Implementation Plan of Action(s):

ECONOMIC DEVELOPMENT & PLANNING

Mortgage tax exemptions did not exceed the amounts included in the Cost Benefit Analysis which were approved by the Board prior to approving a PILOT Agreement.

As a result of the Report of Examination, TCIDA will make an immediate enhancement in this area by requiring the Executive Administrator/Director to compare the mortgage tax exemption utilized to the mortgage tax exemption approved, and report that information to the Board. This will ensure continued success regarding appropriate implementation of mortgage tax exemptions.

Thank you for your time and effort analyzing TCIDA's operations. Sincerely,

Ralph E Kelsey, Chair

Christine Curtis Executive Administrator Tioga County Industrial Development Agency 56 Main Street Owego, NY 13827

Christine:

The purpose of this letter is to respectfully request an extension to the expiration date for the Sales Tax Agreement entered into on March 21, 2019 between V&S New York Galvanizing LLC and the Tioga County Industrial Development Agency. The agreement will expire on December 31, 2019. We have made significant progress on the facility and it will become operational early 2020. However, due to typical asphalt plant closures in winter months, we won't be able to finalize the parking lot or driveways and, therefore, the project until March or April 2020. Accordingly, we would like to extend the expiration date to April 30, 2020 if possible.

Please let me know if you have any questions or need additional information.

Best regards, Jeongl
